EDUCATION

B.Tech in Computer Science & Engineering - Geeta University, Panipat [2023 - 2027]

Senior Secondary [12th] - Ozone International School, Chiri [2022 - 2023]

Secondary [10th] - Ozone International School, Chiri [2020 - 2021]

WORK EXPERIENCE & INTERNSHIPS

1. MERN Stack Developer Intern - Excellence Technology Pvt. Ltd., Mohali [June 2026 - July 2026]

- Developed full-stack MERN applications, contributing across frontend and backend layers.
- Implemented RESTful APIs, JWT token authentication, and MongoDB schema architecture.

2. Full Stack Developer Intern - Coding Blocks, Panipat [June 2025 - August 2025]

- Designed end-to-end web apps with React.js, Express.js, Node.js, and MongoDB.
- Created responsive UIs and integrated secure role-based access control with Bcrypt & JWT.

3. Frontend & Data Analytics Intern - Geeta Technical Hub [June 2024 - July 2024]

- Built responsive frontend pages using HTML5, CSS3, modern JavaScript, and Tailwind CSS.
- Designed interactive executive KPI dashboards using Power BI and Microsoft Excel.

CERTIFICATIONS & RECOGNITIONS

- Internet of Things [IoT] Technical Certification: Hardware, sensor networks, cloud telemetry
- Google Cloud Platform: Fundamentals, Cloud Compute Engine, IAM security policies
- HackerRank Problem Solving: Verified Gold Badges in C++ & Python
- Hackforge 2.0 Hackathon: Finalist in national prototyping sprint

TECHNICAL SKILLS

Languages: C, C++, JavaScript [ES6+], Python, SQL

Web Technologies: React.js, Node.js, Express.js, MongoDB, HTML5, CSS3, Tailwind CSS, Bootstrap

Tools & Frameworks: Git, GitHub, VS Code, Postman, JWT, REST APIs, Power BI, Microsoft Excel, IoT
